

On Earnings:

Never depend
on single income.
Make investment
to create a
second source.

On Spending:

If you buy things
you do not need,
soon you will
have to sell
things you need.

On taking Risk:

Never test
the depth of
the river with
both the
feet.

On Savings:

Do not save what
is left after
spending, but
spend what is left
after saving.

On Investment:

Do not
pull all eggs
in one
basket.

On Expectations:

Honesty is a
very expensive
gift. Do not
expect it
from cheap
people.

Past is a waste paper,
present is a newspaper
and future is a question
paper. Come out of
your past, control the
present, and secure
the future.

When something
bad happens, you
have three choices.
You can let it define
you, let it destroy you,
or you can let it
strengthen you.

Our eyes are
placed in front
because it is more
important to look
ahead than to
look back.

We used pencil
when we were small
but now we use pens..
Do you know why?
Because mistakes
in childhood can
be erased but
not now.
